

# An Appeal for ZAKAT, SADQAAT & CHARITY

If your plan is for 1 year, plant rice,  
If your plan is for 10 years, plant trees,  
If your plan is for 100 years, educate children.

## Anjuman-I-Islam

**Have you seen one who denies the Day of Judgment?  
Who turns away orphan and who does not urge the feeding of the poor?  
(Surah 107: Al Ma'un, Ayaat 1-3)**

Dear Well-wisher of Anjuman-I-Islam,  
Assalamo Alaykum!

Ramazan Mubarak to you and your family members. May this month bring Amaan, Aafiyat and Barakaat to you all. Anjuman-I-Islam is the largest minority educational and social institution focusing on the very marginalized sections of society and is all-inclusive in implementing its objectives. It manages about 97 institutions and at any one point of time it provides education to approximately one lakh students with administrative and teaching staff of 3000 to ensure quality education to these students. Brief of Anjuman-i-Islam is attached. Anjuman-I-Islam is registered as a Company under Section 8 of the Companies Act and is also registered as a trust under the Bombay Public Trust Act, 1950.

Anjuman-I-Islam, works on two objectives, providing good education at least possible cost, and ensuring that the poorest of poor has the opportunity to get educated. Towards these objectives, we have been keeping our costs under control, at the same time ensuring that our teaching faculties are well equipped with modern tools to impart education of the highest standard. Many of our students come from the poorest of the poor strata of Society and to ensure education for them, we raise resources through government scholarships and private donations for their fees, uniforms, books, transportation, etc. In the year 2019-20, we raised a decent sum from various sources but even after this, there was a shortfall which we just could not meet.

Anjuman-I-Islam is running a significant and important project called 'SAHARA project'. We request you to consider supporting us in this project. Primarily this project is addressing the needs of thousands of very poor students, mostly first generation learners, of pre-primary to professional colleges, who do not have any wherewithal for payment of the fees, basic needs, books, educational material, uniforms, transportation cost and other necessary skills to live a better life as effective members of the society. There are two SAHARA Units located at Mahim and SAHARA Sponsorship Project and Skill Development Centre at Mumbra. These units address the needs of these students. In addition, also, there is a SAHARA Unit for Destitute Women and Child Welfare, which addresses the needs of destitute women, divorced mothers, victims of broken homes and the marginalized by providing counselling and running short term occupational courses which help them to earn a living and makes them self-sustainable.

We run two orphanages for girls, at Mumbai and Pune, where the girls are well looked after, educated and finally settled in marriage after rigorous inquiries to ensure and safeguard their future.

With the current lockdown, many of the labourers, daily wage earners, small business people, marginal employees, have lost their livelihood and are in dire financial condition. Thus, in the year 2020-21, we anticipate that the students needing financial help will rise substantially.

It is under these circumstances that I am approaching you with a request to consider Anjuman-I-Islam as a beneficiary of your generous donation/Zakat this Ramazan. Needless to add your contributions made upto 30th June, 2020 would be eligible for exemption under Section 80G for the financial year 19-20.

**ABOUT ANJUMAN-I-ISLAM, MUMBAI**

*From modest beginnings, the Anjuman-I-Islam has flowered into a singular institution, unsurpassed in its efforts to spread education to the marginalized sections of the Society.*

*Anjuman-I-Islam has over a period of time since its inception grown by leaps and bounds, continuing to give quality education to its students. Today it runs 97 institutions and at any one time approximately one lakh students derive benefit from the education imparted by these institutions. It has about 3000 teaching and administrative staff who make these efforts a success.*

*Anjuman-I-Islam was founded in the year 1874 in Bombay (now Mumbai), by a small group of progressive Muslims led by Justice Badruddin Tyabji, the third President of Indian National Congress and the First Indian Chief Justice of Bombay High Court. Those were turbulent times, when waves of freedom and nationalism were sweeping through the country and the visionary, Justice Badruddin Tyabji understood that education was the key to building the nation's pride and restoring its erstwhile glory. It was also the beginning of a movement to support the Muslim community's advance in education and social standing.*

*Anjuman-I-Islam began with one school and has grown in size and scope to encompass over 97 educational and other institutions, ranging from pre-primary schools to graduate, postgraduate and research centers. Subjects at these institutions span the gamut of educational disciplines, from engineering and business management to architecture, pharmacy, law, medicine and hotel management and catering.*

*Anjuman-I-Islam is in the frontline for empowerment of women. The first school for girls was established in 1939 whose principal was Ms. Annie Samson, Vice Principal was Mrs. Najoo Bharucha, Head Teacher was Ms. V.V. Parulekar. In the year 1941 it opened its second school for girls, at Bandra, which was headed by Ms. Mathai. This brings out the very roots of inclusiveness of Anjuman-I-Islam. About 85% of the currently teaching staff are ladies. A majority of Heads of Institutes i.e. H.M's, Principals, Directors are also ladies.*

*Anjuman-I-Islam is a Registered Company under Section 8 of Company's Act. Anjuman-I-Islam Charities is registered under Charity Commissioner Mumbai, Registration no. B-610 (BOM) dated 1/4/1953, Certificate of Registration No. 1615 BB-19-399.*

*Though a Muslim minority organization, Anjuman-I-Islam has a clear 'open door' policy of welcoming students from all communities – thus contributing in no small measure towards national integrity and nation building. Currently the needs of approximately one lakh students from various communities are met with sincerity. We are thankful to an unswerving focus on transparency and the highest quality education being inculcated by all Anjuman-I-Islam fraternity.*

*Anjuman-I-Islam has achieved the status of a world class Educational and Social Service Organization. In addition to its educational institutions, Anjuman-I-Islam runs orphanages, hostels and social service centers for the underprivileged. It also manages 15 Trusts.*

*Among the many precious jewels in Anjuman-I-Islam's crown of educational offerings and achievements are the renowned Karimi Library housed in the Mumbai headquarters; winning the Maharashtra Government's prestigious 'State Award 2000' for excellence in education and social service; and distinguished alumni who have excelled in diverse fields. Many of the alumni have reached the position of CEOs, MDs and Chairpersons of reputed and prestigious organizations across the World. Anjuman students have always excelled in academics and bagged many prestigious awards and prizes, as follows:*

- *Engineering students won first prize globally at the **Aero Design in Micro Class SAE Aero Design West Micro Class 2014**, emerged as the **top winner from Asia in the Advanced Class contest**. The competition was held at **Fort Worth, Texas, United States**. Our students consistently ranked 2nd at international level in Advanced class in Design Report and ranked 3rd in **Micro Class Design Report in SAE AERODESIGN East-2015 at Lakeland, Florida, USA** from among 75 teams from all over the globe.*
- *Engineering students received the **INCUBATEE award and seed fund of Rs. 20 Lakh in India Innovation Challenge 2016** organized by **Texas Instruments** in collaboration with **Department of Science and Technology (DST), IIM Bangalore, Make in India**.*
- *Engineering students received a research grant of Rs. 10 Lakh in **India Innovation Growth Program 2.0, University Challenge 2017**, organized by a public private partnership between **Department of Science and Technology (DST), Lockheed Martin corporation and Tata trust for promoting innovation**. Project prototype was **Electronic Arm (HATH: Hands AT Help)**.*

- In 2017, as Part of Prime Minister's Digital India Initiative - World's biggest Hackathon event was conducted and for the **Indian Railway Ministry**, our Engineering students received **Smart India Hackathon Innovation Award** by Deloitte India for the development of "Security App for Women".
- One of our Engineering student received appreciation with the title of "**Greatest developer minds in India**" by Microsoft for his exceptional work in the field of Security testing. He contributed by finding security bug in Microsoft Windows operating system.
- One of our Engineering student was rewarded \$1337 through the **Vulnerability Reward Programs** by Google. He is among the "**Top 200**" security researchers in **Google Hall of Fame** where thousands of researchers participated from all over the world.
- A team of four students received **Project Excellence Award** from Tata Institute of Fundamental Research (TIFR).
- Our Engineering students **consistently winning I, II & III prizes** in all **Technical festivals** organized by **IIT Bombay, Kanpur and Gandhinagar** for the last 5 years.
- Two of our inmates of **Orphanage did MBA** and working with NSDL as a Senior Manager and as a Deputy Manager in ICICI Bank. Another **orphan did her B.Sc. (Nursing)** and working in Infection Control department with Dhirubhai Ambani hospital.
- Our students Won Gold and Bronze Medals, in the prestigious **National Chef Competition GICC (Great Indian Culinary Challenge)** and also won Silver medal in the **Nestle Student Chef Championship** organized by WICA - WESTERN INDIA CULINARY ASSOCIATION. Also, our students were integral part in "**Master Chef Competition**".
- Our Architecture 9 students got selected for **MCHI CREDAI scholarship of Rs.50000/- per year till they pass out.**
- Our many Alumni of Engineering and Pharmacy despite coming from a challenging backgrounds established their own Enterprises like Octaware Technologies M/s Micromedix Pharmaceuticals.
- Consistent **Rank holders** in the University of Mumbai, SNTD University and MSBTE in the fields of Engineering, B. Ed. and Home Science.

### **Pioneering Achievements**

- Anjuman-I-Islam's Memorandum to the Indian Education Commission in 1880 formed the basis of the Education Policy of the then British Government.
- The first organization to be awarded the Maharashtra Government's 'State Award 2000' for excellence in education and social services
- A pioneer in the field of Unani medicine, setting up the first hospital and college in this specialty.
- Spearheaded technical education, setting up the first Technical School for Artisans in 1936.
- Today, it has the first integrated technical campus offering engineering, architecture and pharmacy streams. Initiated the concept of 'kindergarten' in 1943, and has supported girls' education from the very beginning.
- Introduced the concept of giving nourishment to pupils in 1903, which now the Government has adopted as 'mid-day meal.' It has subsidized education for underprivileged children for decades, a forerunner of 'Right to Education'.
- Our Professional and Technical Institutions are Accredited for Quality of Education by NAAC, NBA and ISO-9001-2008, 2015 and also recipients of Green and Clean campus recognition by the AICTE, New Delhi.
- One of our Polytechnics became largest Polytechnic in the State of Maharashtra in 2010 and also declared as Zero Error Examination center by the affiliating body (MSBTE).
- Our Technical Campus and Polytechnic were selected for Unnat Bharat Abhiyan (UBA) project of Govt. of India where 15 villages were adopted for development.

**Some Notable & Distinguished Alumni:**

- **Abdullah Yusuf Ali** (Indian Islamic scholar whose translation, *The Holy Qur'an: Text, Translation and Commentary*, is one of the most widely used in the English-speaking world).
- **Dilip Kumar** has been described as "**the ultimate method actor**" by Satyajit Ray. The Government of India honored him with the Padma Bhushan and the Dadasaheb Phalke Award for his contribution to Indian cinema.
- **Abdul Rehman Antulay** is a barrister-at-law, called to the bar at Lincoln's Inn, London. He was a Union Minister (Minority Affairs) and an MP in the 14th
- Lok Sabha. Earlier he had been the Chief Minister of Maharashtra.
- **Abdul Halim Jaffer Khan**, one of India's leading Sitarists who hails from the Beenkar Gharana of Indore. Khan was awarded the Padma Shri (1970) and Padma Bhushan (2006) as well as the Sangeet Natak Akademi Award (1987).
- **Salim Aziz Durani**, a former Indian cricketer who played in 29 Test matches from 1960 to 1973.
- **Ismail Merchant**, a film Producer and Director, best known for the results of his long collaboration with Merchant Ivory Productions. He was an independent producer in Hollywood and produced nearly 40 films, including a number of award winners.
- **Aslam Khan**, CEO & MD of Octaware Technologies, a self-taught serial entrepreneur and socially responsible investor establishing numerous healthcare businesses including multi-specialty hospital and rehabilitation centre in India.
- **Management Structure:** Anjuman-I-Islam is managed by Honorary Trustees comprising well placed Professionals like doctors, lawyers, chartered accountant and prominent business people.

**(Dr. Zahir I. Kazi)**

MD, DMRD, FMRI (USA), MAIUM (USA)

President, Anjuman-I-Islam

**CONTRIBUTION OF ANJUMAN-I-ISLAM DURING COVID-19 LOCKDOWN**

*One week before the lockdown Dr. Zahir Kazi President Anjuman-I-Islam was specially invited to attend a meeting with the Municipal and Police Commissioners and other Community Leaders in the office of the Police Commissioner. During the course of discussion, he had committed that Anjuman-I-Islam will stand by the expectations of the various government authorities and would cooperate and will definitely go an extra mile. He had also suggested that Anjuman-I-Islam will be open to help various NGOs.*

*Under the supervision of and direction of the President Anjuman-I-Islam Dr. Zahir Kazi (M.D.) the following activities of Anjuman-I-Islam are being conducted in the present scenario.*

**Exhibit-1**

*On the request of the various government authorities Anjuman-I-Islam has handed over the Abdul Razzak Kalsekar Polytechnic, New Panvel Building to the government authorities for the storage of food grains and cooking of hygienic vegetarian food. This cooked food is being served to a large number of migrants, laborers and deserving poor people in various locations of Panvel.*

**Exhibit-2**

*At the request of MCGM, Anjuman-I-Islam has handed over the open ground of Anjuman-I-Islam Dr. M.I.J.School and Jr. College located at Bandra Bazar road to be used as a local vegetable and fruit market. Above are the photos depicting the activities in the vegetable and fruit market on the grounds of Anjuman-I-Islam Dr. M. I. J. School and Jr. College.*

**Exhibit-3**

*In collaboration with NGO (WMO), Anjuman-I-Islam Khalifa Ziauddin Girls Primary School Mahim(w) premises has been handed over for the purpose of storing the groceries and food grains. The premises are utilized for making family packets of the food grains and groceries, and is being distributed to the different areas of the city of Mumbai for the poor and the needy.*

**Exhibit-4**

*Anjuman-I-Islam's Haji A. R. Kalsekar Hospital, Versova in collaboration with BMC K/W Ward and Thyrocare is now a Free COVID-19 test center, on a mobile platform (ambulance). Testing is being carried on large number of people. Dr. Seema Malik CEO of Haji A. R. Kalsekar Hospital and her staff are actively engaged in helping out the BMC in its activity.*
